

Certificate of Approval

This is to certify that the Management System of:

Interventek Subsea Engineering Ltd

Unit 4, International View, ABZ Business Park, Dyce, Aberdeen, AB21 0BJ, United Kingdom

has been approved by LRQA to the following standards:

ISO 9001:2015, ISO 14001:2015, ISO 45001:2018

Approval number(s): ISO 9001 – 00003964, ISO 14001 – 00048206, ISO 45001 – 00048207

The scope of this approval is applicable to:

Design, manufacture, and after-market support of well-access valve assemblies and peripheral well-access devices, within surface and subsea well-completion, intervention, and abandonment systems produced for the Energy Sector.

David Derrick

Regional Director, UKAM

Issued by: LRQA Limited
